RELEASE FROM LIABILITY

Read Carefully. When you sign it you will be giving up important legal rights. In consideration of the acceptance of my entry blank in this powerlifting competition. I intend to be legally bound, for not only myself but for my heirs, my executors and my administrators. In signing this release from liability, I waive and release everyone and anyone connected with this competition from any and all liability which may arise from this competition. Moreover, I agree that any testing method which the meet director and the sponsors of this meet use to detect the presence of strength inducing drugs and controlled/banned substances Shall Be Conclusive. That is, whether I think the results of the tests are right or wrong, I agree to submit to any physical tests which may be necessary to complete the drug testing. Should I fail to pass the drug test, I agree to waive any claim which might arise under state law for defamation, slander, libel, or any other claim for which legal relief is available. If it is determined that I have failed the drug test, I agree to pay any attorney fee and litigation expenses incurred by any person, real or corporate, whom I may sue in an effort to challenge this release from liability form. I understand that my agreement to pay attorney fees and litigation expenses is the sine qua non for the acceptance of my entry in this contest.
